ORDER FORM

CD OF GENEALOGY « LES LABRECQUE TOUS RÉUNIS »*

This second edition of the database of the Labrecque's genealogical information as of today was launched on September 15th, 2012. Here are some of the files available on the CD:

- Database of more than 37,000 files of genealogical information which close to 14,000 are related to a Labrecque descendant;
- Document of archives on our ancestries;
- List of birth place and reference sites;
- List of Web Site in genealogy;
- Subject that are in current research (ex. Labrecque's in France, in USA, parents or given name's with still unknown genealogy)

The research continues and we invite you to give us any additional information or any of interest.

*Available in French only.
